Edition notes

Original Editor : Felipe Pedrell (1841–1922)

Note values have been halved, syllabic slurs have been added, modern clefs have been adopted, and the piece has been transposed down a major third.

The original (incomplete) intonation has been discarded. The intonation here is taken from the Liber Usualis (1961) Appendix II Pages 26-27. In verse 3, 'Quod' is used from the Vulgate rather than 'Quam'
