E minor James P. Carrell, 1831

Tr. 1 { Ah! whither should I go Burdened and sick and faint? To whom should I my trouble show, Or pour out my complaint? }
{ The Savior bids me come; Ah! why do I de-lay? He calls the weary sinner home, And yet from him I stay. }

C. 2 { What is it keeps me back From which I cannot part, Which will not let my Savior take Possession of my heart? }
{ Some cursed thing unknown Must surely lurk within, Some idol which I will not own, Some secret bosom sin. }

T. 3 { I would not still deceive My soul, and blind my sight, I would not still thy Spi-rit grieve By shutting out thy light. }
{ Late in thy light I see, And thank thee for the grace, Thou would have all men come to thee, Sav-ior of hu-man race. }

B. 4 { I now believe in thee, Compassion reigns alone; According to my faith, to me O let it, Lord, be done. }
{ In me is all the bar Which thou would fain remove; Remove it, and I shall declare That God is on-ly love. }

Derived from a folk hymn.
