Note: this performing edition preserves the dominant ending to the final line characteristic of Praetorius's settings. Accompaniment optional and editorial. Originally sung as conventional hymn, and as 'Wechselgesang' (exchange, or antiphonal, song). In the latter, 4 soloists, or small groups, placed around the church, sang one line of each stanza in turn. See *The New Oxford Book of Carols*, ed. Keyte and Parrott, rev. edn. (Oxford U.P.: Oxford and New York, 1994), p. 189.
