For the Feast of the Circumcision of Our Lord

O name of Jesus, sweet name, name of Jesus, delightful name, name of Jesus, strengthening name, for what is Jesus, but the Savior? Therefore, Jesus, because of Thy Holy Name, be to me Jesus, and save me. Noel.*

**Noel is translated in this period in English by the [archane] form, "Noë," pronounced "no-ay"*

Some sources indicate that an "Alleluia" may be substituted for "noë" but no underlayment is evident. However, the syllabication does not fit simply substituting syllable-for-syllable, hence resulting in a rythmic emphasis counter to the triple meter. The suggestion may be from a later editor or copyist. I have chosen to maintain the original underlayment.
