Edited by B. C. Johnston, 2018. 1. Extensively re-barr'd to avoid need for *fermata*.

2. Measure 10, *Tenor*: grace quarter-note converted to normal quarter-note.

3. Measure 12, *Counter*: sharp on first note, rather than the next note; probably a misprint.

4. Measure 14, *Treble*: last note changed from A to B.

5. These words substituted for the original, by Charles Wesley, *Head of thy church triumphant*.
