down there \_\_\_ in the mill!

Der Feuerreiter

1. Sehet ihr am Fensterlein  
Dort die rote Mütze wieder?  
Nicht geheuer muß es sein,  
Denn es geht schon auf und nieder.  
Und auf einmal Welch Gewühle  
Bei der Brücke nach dem Feld!  
Horch! das Feuerglöcklein gellt:  
    Hinterm Berg,  
    Hinterm Berg  
Brennt es in der Mühle!

2. Schaut! da springt er wütend schier  
Durch das Tor, der Feuerreiter,  
Auf dem rippendürren Tier  
Als auf einer Feuerleiter!  
Querfeldein! Durch Qualm und Schwüle  
Rennt er schon, and ist am Ort!  
Drüben schallt es fort und fort:  
    Hinterm Berg,  
    Hinterm Berg  
Brennt es in der Mühle!

3. Meilenweit von fern gerochen,  
Mit des heil'gen Kreuzes Span  
Freventlich die Glut besprochen—  
Weh! dir grinst vom Dachgestühle  
Dort der Feind im Höllenschein.  
Gnade Gott der Seele dein!  
  
Hinterm Berg,  
Hinterm Berg  
Rast er in der Mühle!

4. Keine Stunde hielt es an,  
Bis die Mühle barst in Trümmer;  
Doch den kecken Reitersmann  
Sah man von der Stunde nimmer.  
Volk und Wagen im Gewühle  
Kehren heim von all dem Graus;  
Auch das Glöcklein klinget aus:  
    Hinterm Berg  
    Hinterm Berg  
brennt's! —

5. Nach der Zeit ein Müller fand  
Ein Gerippe samt der Mützen,  
Aufrecht an der Kellerwand  
Auf der beinern Mähre sitzen:  
Feuerreiter, wie so kühle  
reitest du in deinem Grab!  
Husch! da fällt wie Asche ab.  
  
Ruhe wohl,  
Ruhe wohl  
Drunten in der Mühle!

----Eduard Mörike (1804-1874)
