## Translation

In peace, in the same, I shall sleep and take my rest.  
† If I suffer my eyes to sleep and my eyelids to slumber,  
I shall sleep and take my rest.  
† Glory be to the Father, and to the Son, and to the Holy Ghost.  
In peace, in the same, I shall sleep and take my rest.  
(Paraphrased from Ps. 4, v.9 and Ps. 132, v.4)

## Liturgical Function

Respond at Compline, Quadragesima (the first Sunday of Lent) to the Saturday before Passion Sunday.

## Editorial Conventions

The nomenclature of the voice-parts follows the Tudor convention.  
The original clef, mensuration symbol and first note of each part are shown on the prefatory staves. There are no staff signatures.  
Editorial accidentals are placed above the notes concerned. Accidentals not present individually in the source but implied by an original staff signature are placed before the note and have a superscript dot.  
Ligatures are denoted by the sign  $\overline{\quad}$ .  
All material between square brackets is editorial.

## Notes on the Readings of the Sources

In the notes below, each reference to a bar or group of bars is separated by an oblique stroke. Within these references multiple readings in the same voice are separated by commas. The order within each entry is: 1) bar number; 2) voice; 3) reading of the source. For extended references subsequent bar numbers are in brackets. Pitches are in capital letters, preceded by a number where necessary, e.g. <sup>2</sup>C = second note C in the bar.
